

Explorers Topographical Map Work

Topographical Map?

What is a Topographic Map and what can I expect to find on it?

Key Features on a Topographic Map:

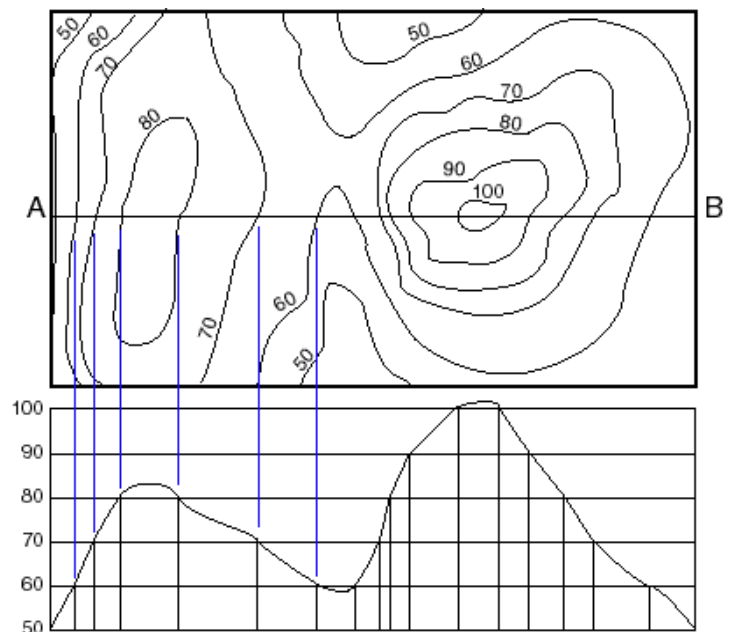

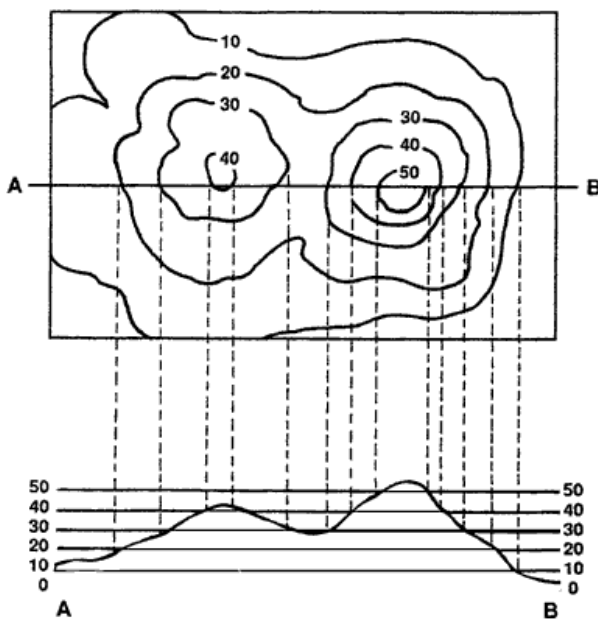

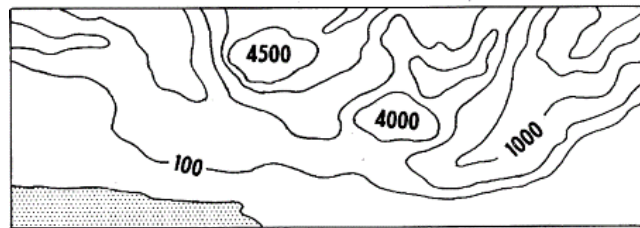

Green	
Blue	
Grey	

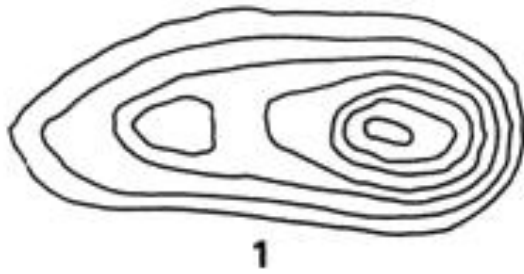

When a contour line is drawn on a map it represents a given elevation above sea level.

When contour lines are close together, it denotes a steep slope, and when they are far apart, it denotes a flatter area. If two or more contour lines merge together for a distance, it denotes a cliff or bluff.

EG.

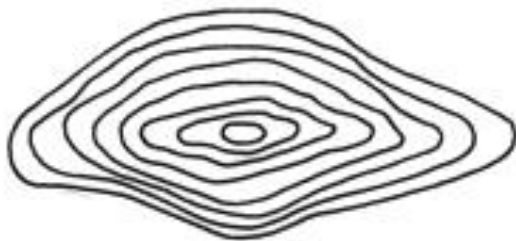

Can you match the mountain to the correct contour line?

1

A

2
